

- **Pupil Premium Funding 2017-18**

Because of the success of the interventions with specific targeted children we are again using a proportion of the money to deliver individual literacy and numeracy programmes. These are delivered by teachers or Higher Level Teaching Assistants. In years 5/6 and Year 1 funding has also been used to appoint additional teachers to ensure all the children are taught literacy and numeracy in small sets. Additional Family Mentor time has also been dedicated to pupil premium children.

In 2017-18 school received £229,310 which we have used to raise the achievement of pupil premium children through:

- Direct teaching support - Higher Level Teaching Assistant (HLTA) and Teachers delivering individualised programmes.
- Removing barriers to learning - Family Mentor (FM) staff working to support families.
- Resources to support the above.

The breakdown of the money is spent thus:

- HLTA support FTE 4 =£99,400
- Teacher support FTE 2.6 = £90,400
- FM support FTE X 1 = £24,200
- Resources =£15,000

Progress of our pupil premium children continues to be very good and they make greater progress, on average.

School Measures of Average Point Score Progress for Pupil Progress children versus all children from September 2016 to May 2017 (where 1 point per term (6 points per year) would be good progress)

School Progress Scores	Pupil Premium	Not Pupil Premium	All Children
Reading	6.4	7.2	5.9
Writing	6.8	7.4	6.6
Maths	7	7	6.8

National KS2 SATs Results 2017 for children reaching the expected standard, comparing school to pupil premium children nationally and to all children nationally

National KS2 SATs Test	School Pupil Premium (<u>Before children have been dis-applied; this number will rise</u>)	National Pupil Premium	National All Children
Reading	76%	77%	71%
Writing	79%	81%	76%
Maths	86%	80%	75%
